## USGA RULES GOVERN PLAY

- All distance markers are measured to the front, center and back of green.
- Please be mindful of pace of play and maintain your position behind the group in front of you.
- We urge all players to be keenly aware of severe weather and seek shelter.
- Rule 16.3 allows relief for a ball embedded anywhere in the “general area”, except when embedded in sand.
- Environmentally sensitive areas: Entry into all hazards marked with green-topped red stakes is prohibited.
- All stakes with blue tops indicate the corresponding boundary is marked by the edge of the golf car path.
- If a ball lies within two club lengths of a sprinkler head that is within two club lengths of the putting surface and interferes with the line of intended play, local rule player receives complimentary relief within one club length nearest point of relief no closer to the hole.
